**Construction**

<b>Facestock</b>	50 micron vinyl
<b>Adhesive</b>	20 micron acrylic pressure-sensitive adhesive
<b>Liner</b>	80g CCK paper

**Application**

Barcode Label

- electronics
- telecom
- electric power

**Adhesion**

Surface	LoopTack (N/in)
Stainless steel	10

**Thermal Transfer Ribbon** AXR 7+ 、 T121

**Minimum Application Temperature** -5° C

**Service Temperature Range:** -40° C — 90° C

**Storage Stability** One years stored at 70°F (21°C) and 50% RH
